**GLENDALE CONDUCTS ANNUAL GRANT ORIENTATION
SEPT. 9 FOR 2009-10 FUNDING CYCLE**

GLENDALE, Ariz. – Glendale's Community Revitalization Division will conduct a grant application orientation session that will address key elements of the 2009-10 funding cycle. All non-profit and governmental agencies interested in applying for grant funds are encouraged to attend the workshop session, at 1 p.m. Tuesday, Sept. 9, in B-3, which is the basement level of Glendale City Hall, 5850 W. Glendale Ave.

The session will cover grants administration, application preparation and construction-related information. Attendees at the orientation program will be able to see a demonstration of the city's on-line application system, which is designed to streamline the time and paperwork necessary to apply for Community Development Block Grant (CDBG), Emergency Shelter Grants (ESG) and Home Investment Partnerships (HOME) program funds.

Eligible projects and programs that are grant funded must benefit the residents of Glendale. Examples include housing and other public service programs that benefit low and moderate income persons and slum and blight elimination activities in the downtown redevelopment area.

To register for the free workshops, RSVP to the Community Revitalization Division at 623-930-3670, TDD (623) 930-2197, or AZ Relay Service Number (711) by Sept. 5.
